APPLICANT SUPPLEMENTAL QUESTIONS

The purpose of the Student Leadership Award is to recognize high school seniors who have shown outstanding leadership potential through the combination of academic excellence, community service, and extra-curricular activities. With this in mind, please answer each of the following required questions on separate pages.

- Leadership:** Describe your most instrumental or impactful activity, circumstance or experience in which your leadership skills made a significant difference in your school and/or community. (500-750 words)
- Academics:** Describe your most important academic achievements during your high school career. (200-500 words)
- Community Service:** List and briefly describe the community service projects you have been involved in during your high school career. Give places, dates, and contact person(s) and phone number(s) for verification purposes (please attach resume with this application).
- Extra-Curricular Activities:** List and briefly describe all extra-curricular activities in which you have played a leadership role during your high school career. Give places, dates, and contact person(s) and phone number(s) for verification purposes. *Exclude those already listed in previous responses.*
