MEMBERSHIP

The Palm Beach North Chamber of Commerce is pleased to serve the 10 municipalities that make up Palm Beach North. Founded in 2007 as a [result of a merger from two previous chambers](#), the Jupiter Tequesta Juno Beach Chamber of Commerce (founded in 1948) and the North Palm Beach County Chamber of Commerce (founded in 1947), the Palm Beach North Chamber of Commerce strives to be a dynamic organization that serves as a vital business and community resource. We focus on the development and retention of businesses by taking an active role in issues that affect the profitability of local companies, protecting and improving the quality of life for residents and, above all, providing superior services and resources to our members.

The Palm Beach North Chamber of Commerce is a not-for-profit organization with over 800 business members, and the vast majority of our funding is secured through the private sector. We have evolved into a “knowledge broker,” connecting businesses with prospective clients. The Palm Beach North Chamber of Commerce seeks to be an invaluable partner in increasing our business members’ bottom line.
