

## SCHOLARSHIP SPONSORSHIP OPPORTUNITIES

The Foundation was formed to oversee the endowment established through a donation from John C. Giba, a Jupiter-Tequesta businessman who believed in the importance of student leadership through education. Over the years, The Foundation has grown to provide more scholarship opportunities in our region through donations made by Chamber members and local businesses.

We are striving to continue to grow every year by providing more scholarship opportunities for students, and you can help us with these efforts by sponsoring a scholarship! These scholarships are presented to the recipients at our Annual Education Awards on April 19, 2023. The following sponsorship opportunities are available:
